Revised OS/25/2018

UNITS OF SERVICE

The unit for the service immediately follows the name of the service. Example: PERSONAL CARE (1 Hour)

All units should be entered as whole numbers. The only exception is the hour time unit. This can be tracked in 15 minute htervals.

1Hour: Used to track time spent on a service for a Registered Service. When the unit is less than an hour, the State Unit on Aging requests that area agencies measure in quarter hour increments. (.25 = 15 minutes; 50 = 30 minutes; .75 = 45 minutes) Round to the nearest quarter hour increment.

1 Meal: Food served as breakfast, lunch, dinner, or supper, it must meet OAA, state, and local law requirements. It is tracked as Registered Service.

1Contact: Unit of service that covers one communication in a one-on-one setting. This unit of service can be for Registered or Unregistered Services.

, 1Session/t Session per Participant: This unit counts the number individuals a specific seminar, it is used with Unregistered Services. In NAMIS, these will show as Sessions, with the "per participant" implied – it is there to help us track counting.

The quantity of seminars and the number of individuals served will need to be collected. If you hold 2 nutrition education seminars, and you have 21 people participate between both seminars, then you would document the Quantity as 2 in NAMIS, the Number Served would be 21. It is Important to gather both numbers so that the effectiveness can be gauged.

1 One-Way Trip: A unit of service to mark going from one location to another. Each leg is considered one unit. It can be used on Registered or Unregistered services. If someone utilizes transportation services from their home to the doctor's office, that is one unit. If the same person is picked up after their doctor's appointment, and returned home, 2 One-Way trips would be entered. If the person catches a ride from their home to the doctor's office, then onto the pharmacy, and finally home; this counts as 3 units of service.

1Activity: Unit of service that covers communication to multiple individuals. This unit of service can be for Registered or Unregistered services.

For a group utilization example, if you are doing a caregiver PSA in the newspaper, each time it runs is 1 Activity. If it runs 4 times, and the newspaper circulates 1000 papers a day. You would enter Quantity of 4,and 1000 for Numbers Served.

For a registered service, you would do each subject/goal as 1Activity under the client. If you are providing caregiver supplemental services, you would enter a grab bar on one line, seat riser as another activity, and incontinence supplies as a third activity.

1Placement: This unit represents one client. There may be a number of activities done to assist a single client, the placement should be counted as the single client.

1 Cllent Month: This unit is the client count in a given month. This is used for Unregistered Services. Count the number of clients being offered the service (like Emergency Response System) and record for the month.

CONSUMER DISCLOSURE

From time to time, Nebraska Department of Health & Human Services (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact Nebraska Department of Health & Human Services:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc. to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in the DocuSign system.

To request paper copies from Nebraska Department of Health & Human Services

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to john.canfield@nebraska.gov and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with Nebraska Department of Health & Human Services

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your DocuSign session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an e-mail to john.canfield@nebraska.gov and in the body of such request you must state your e-mail, full name, US Postal Address, and telephone number.
